

SHURSEAL® AUTOMATED PACKAGING SOLUTIONS

Purpose-Built for Secure Seals.

We are your case sealing partner – with a vested interest in your case sealing success. This program is designed to address your issues with packaging line downtime and unsecure seals – balancing your retrofit needs with your tape consumption.

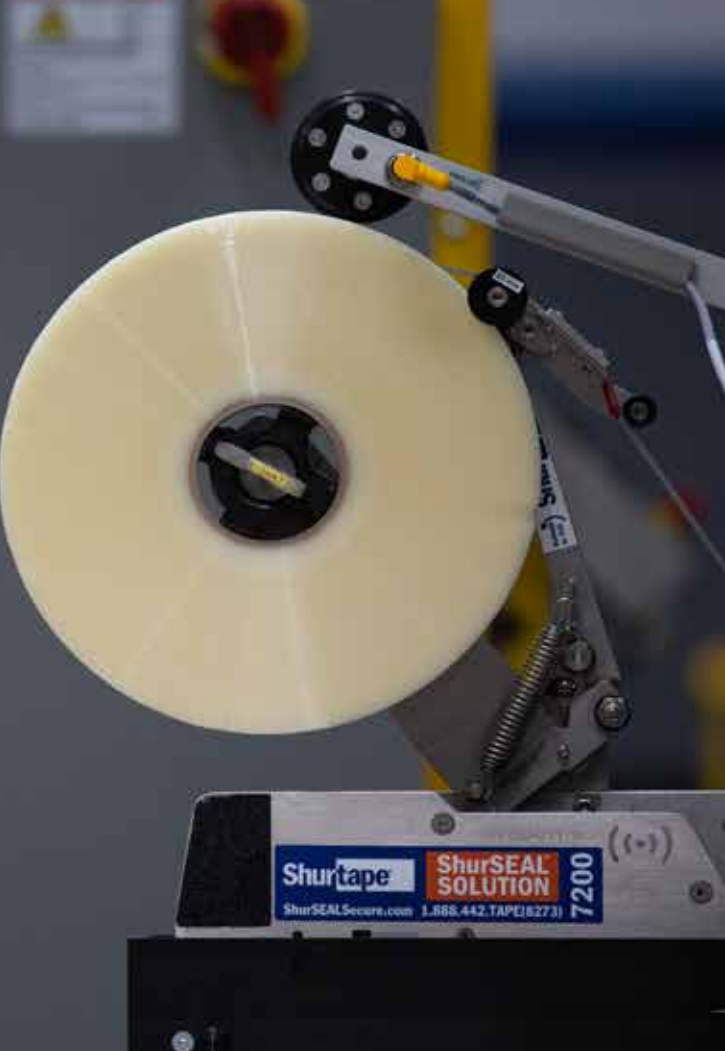

Contact us to schedule an evaluation of your case sealing equipment – our team will identify potential issues and solutions, demonstrate how ShurSEAL® can deliver secure seals, as well as review potential cost savings that could be achieved by switching to ShurSEAL®.

WHY SHURSEAL®?

Unsecure seals can cause problems along the supply chain, resulting in production issues, downtime and higher costs due to reworks, in addition to increasing the risk of product damage, contamination and theft caused by cartons popping open. Even using a knife to open a carton can lead to product damage and injury due to knife cuts. ShurSEAL is designed to deliver quality, secure seals, while also maximizing packaging line efficiencies to keep them running longer and faster.

And, while replacing packaging equipment can be costly and slow, ShurSEAL is easily retrofit to a variety of automated machines, including most major brands of case sealers, to deliver secure seals without expensive capital expenditures and time-consuming changeovers.

SHURSEAL FEATURES

Easy to Retrofit

Seamless integration with case erectors and sealers

Multiple Wipe-Down Points

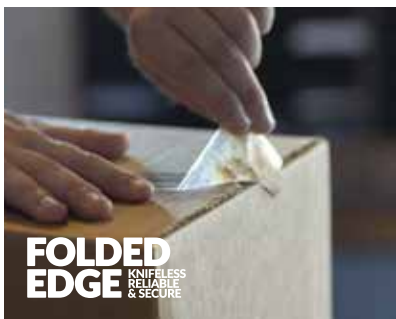

Full use of the tape's adhesive

Rightsized Tape Length

Reduce tape use while maintaining secure seals

SHURSEAL ENHANCEMENTS

Folded Edge® Technology

Folds the edges of the tape along the length of the carton, reducing the possibility of nicks and tears along the tape seal and allows the carton to be opened without the use of a knife

Underfilled Assist (UA) Technology

Allows for the automated case sealing of cartons that traditionally get jammed during the taping process, such as boxes that are extremely underfilled, made with thin corrugated or are tall/tippy

PrimeAlert Tape Management System

A self-contained, wireless and self-recharging tape management system that provides audible and visual alerts to signal line operators if faults occur

See how ShurSEAL can help your bottom line.

FEATURED PACKAGING TAPES		Adhesion to Stainless Steel	Thickness	Tensile Strength	Holding Power to Fiberboard
HP 100®	 General purpose grade hot melt packaging tape for sealing lightweight cartons. MADE IN USA	43 oz/in width	1.6 mils	21 lbs/in width	10,000 min
HP 200®	 Production grade hot melt packaging tape for medium-weight carton sealing. MADE IN USA	44 oz/in width	1.9 mils	27 lbs/in width	15,000 min
HP 232®	 Cold environment, production grade hot melt packaging tape for sealing medium-weight cartons in temperatures from 20 F to 75 F. MADE IN USA	30 oz/in width	1.9 mils	27 lbs/in width	10,000 min
HP 235	 Medium duty hot melt packaging tape made with 90% post-consumer recycled (PCR) rPET film for use on highly recycled or 100% PCW/OCC cartons. MADE IN USA	50 oz/in width	2.0 mils	27 lbs/in width	15,000 min
HP 300®	 Performance grade hot melt packaging tape for sealing medium-weight cartons subjected to handling stress. MADE IN USA	50 oz/in width	2.2 mils	30 lbs/in width	25,000 min
HP 400®	 High performance grade hot melt packaging tape for sealing large, bulky or heavy cartons. MADE IN USA	54 oz/in width	2.5 mils	33 lbs/in width	35,000 min
HP 500®	 Heavy duty grade hot melt packaging tape for sealing heavy, bulky cartons subjected to high stress or extreme handling. MADE IN USA	58 oz/in width	3.0 mils	42 lbs/in width	45,000 min
HP 535	 Heavy duty grade hot melt packaging tape for sealing highly recycled cartons, including 100 percent recycled. MADE IN USA	62 oz/in width	3.0 mils	42 lbs/in width	45,000+ min
HP 100	 Light duty hot melt adhesive packaging tape made with 90% post-consumer recycled (PCR) rPET film. MADE IN USA	53 oz/in width	1.3 mils	19 lbs/in width	10,000 min
HP 235	 Medium duty hot melt packaging tape made with 90% post-consumer recycled (PCR) rPET film for use on highly recycled or 100% PCW/OCC cartons. MADE IN USA	63 oz/in width	1.75 mils	23 lbs/in width	15,000 min
CR 400	 Performance grade curbside recyclable paper packaging tape. FSC MADE IN USA	110 oz/in width	6.0 mils	35 lbs/in width	NA

ShurSEAL®
PACKAGING SOLUTIONS

SECURE SEALS,
EVERY TIME™

ShurSEAL® Automated Packaging Solutions combines high-quality Shurtape® packaging tapes with innovative tape application technology for better carton seals and packaging line efficiency.

This high-performance packaging solution delivers consistent and secure seals, carton after carton.
