

HIGH-TACK PACKAGING TAPES

**Designed for Highly Recycled Corrugated
and Hard-to-Stick-to Surfaces**

Shurtape® High-Tack Packaging Tapes are purpose-built for strength and reliability to meet the toughest case sealing challenges. These tapes are designed with an advanced adhesive system that delivers superior shear, tack and adhesion when sealing 100% PCC recycled corrugated cartons and other hard-to-stick-to surfaces. For added performance, these tapes feature a special release coating for smooth, low force unwind off the roll, providing Good to the Core® performance for efficient tape consumption.

Available in medium to heavy duty grades with acrylic, hot melt and sustainable options, these packaging tapes deliver secure and reliable seals, no matter the recycled content of the carton.
