

# AP SERIES ACRYLIC PACKAGING TAPES

You insist on superior performance from your carton sealing tape. No matter the application or the temperature conditions in which you seal or store cartons, you expect a reliable and secure seal. That's why AP Series acrylic carton sealing tapes from Shurtape® are crafted to perform – whether you need strength for bulky packages or quick stick on corrugated boxes.

From light to heavy duty applications, with high-tack and sustainable options, AP Series is perfect for any job. These packaging tapes are engineered to bond well in extreme low temperatures, and feature a viscous adhesive to deliver superior stick on dirty, dusty or other hard-to-stick-to surfaces. AP Series is designed with exceptional aging characteristics and will not degrade over time, even through extreme temperature fluctuations. And durable, UV-resistant AP Series protects labels and printed surfaces from weather and handling, delivering strength for bulky packages or high-tack for hard-to-stick-to surfaces.
