

Marine Tapes Application Guide

									
PRODUCT	DESCRIPTION		Pin, Boot & Cove Striping	Wrapping & Bundling	Protection & Sealing	Color-Coding & Identification	Repair & Maintenance	Gel-Coating & Top Coating	Storage & Transportation
	FrogTape® 225 Gold	Performance grade, medium-high adhesion masking tape used for gel-coating and other protective masking applications; Will withstand temperatures up to 225 F as needed.			✓		✓	✓	
	FrogTape® 250 Blue	Performance grade, medium-high adhesion masking tape used for gel-coating and other protective masking applications; Will withstand temperatures up to 250 F as needed.			✓		✓	✓	
	FrogTape® 325 Pink	Performance grade, medium-high adhesion masking tape used for gel-coating and other protective masking applications; Will withstand temperatures up to 325 F as needed.			✓		✓	✓	
	FrogTape® FLS 325 Yellow	Low-stretch fineline masking tape used when crisp fineline edges are needed to achieve boot, cove, pin stripes or other designs.	✓						
	FrogTape® FLC 280 Blue	Fineline masking tape used in topcoat applications to achieve a decorative design when tight curves are needed.	✓						
	EV 57B	Highly conformable, lead free and flame retardant black electrical tape for use indoors and out.		✓		✓			
	EV 77B	Highly conformable black electrical tape delivers a moisture-tight seal, even in extreme temperatures.		✓		✓			
	Duck Pro® PC 9	General purpose, contractor grade, poly-coated cloth duct tape, available in a wide variety of colors, for use in industrial color-coding and general repair applications.				✓			
	COL 00	Premium grade, high adhesion masking tape for use in industrial and automotive paint applications that do not require the use of a bake oven, and can also be used for general purpose masking applications that demand a premium performance tape.		✓					
	CP 105	General purpose grade, medium-high adhesion masking tape for non-critical bundling and labeling.		✓					
	PE 900	UV-resistant polyethylene film tape used to reinforce boat heat shrink wrap seams to create a tight, continuous seal that protects the vessel during seasonal storage or transportation.			✓				✓
	T-Rex® Extreme Strength Waterproof & Repair Tape	Provides waterproof adhesion to the toughest surfaces and even works underwater.					✓		
	T-Rex® RSW 500 Waterproof & Repair Tape	T-Rex Waterproof & Repair Tape is engineered with Flex-to-Fit Technology™ to provide maximum stretch around objects and offers extreme weather performance for indoor and outdoor fixes; sticks to wet surfaces and works underwater.					✓
