FROM BEIGE TO BLUE... AND BEYOND

Sharp paint lines. Clean removal. Flexibility. Durability. Multiple surfaces. Delicate surfaces. There's a lot that goes into picking a professional painter's tape.

At Shurtape, we are proud to offer a comprehensive portfolio of painter's tapes that is designed to deliver superior results, no matter the job.

GET DOWN TO BASICS WITH BEIGE:

For quick jobs in which tape will be up less than 3 days or in large-volume, non-critical applications where an economical tape solution is preferred.

GO BIG AND BOLD WITH BLUE:

For applications in which tape will be protecting surfaces for up to 14 days, especially when masking areas in preparation for a larger paint job.

GO ABOVE AND BEYOND WITH PREMIUM:

For projects that demand extremely sharp paint line without the time or money lost with touch-ups, including those that require clean removal properties beyond 14 days.

Whether you demand crisp lines and clean removal or easy unwind and quick stick, we've engineered our painter's tapes solutions to minimize time-consuming touch-ups – to make your job easy and your results professional.

Shurtape
TECHNOLOGIES

PROFESSIONAL TAPES FOR PROFESSIONAL RESULTS

BEIGE

COL 00 Colonial®

Premium grade, high adhesion masking tape for use in industrial and automotive paint applications that do not require the use of a bake oven and can also be used for general purpose masking applications that demand a premium performance tape.

CP 66®

Contractor grade, high adhesion masking tape for residential and commercial painting and construction, industrial masking, holding and packaging, particularly those applications that demand quick stick and conformability to irregularly shaped surfaces.

BLUE

CP 27®

Premium grade, medium adhesion blue painter's tape for interior and exterior masking of multiple surfaces, such as painted walls, glass, vinyl, metal and wood, when easy, no-residue removal is a must.

CP 130/FrogTape® Pro Grade

Medium adhesion painter's tape for multi-surface use in paint and masking applications that demand professional performance and 14-day clean removal, including masking cured painted walls and trim, glass and metal. Engineered with PaintBlock® Technology to prevent paint bleed and deliver professional paint lines.

BEYOND

CF 120/FrogTape® Multi-Surface

Premium grade, medium adhesion painter's tape for interior or exterior masking on cured painted walls, wood trim, glass and metal. Engineered with PaintBlock® Technology to prevent paint bleed and deliver very sharp paint lines.

CF 160/FrogTape® Delicate Surface

Premium grade, low adhesion painter's tape for interior use on freshly painted surfaces (24 hours old), faux finishes, primed wallboard and wallpaper. Engineered with PaintBlock® Technology to prevent paint bleed and deliver very sharp paint lines.
